

Split Blade Dresden Workshop

Teacher Anelie Belden

This class will teach students the new Modern way to Piece a Dresden Plate Block using Anelie's piecing method of Stitch-n-Flip. This Technique gives quilters a choice to Appliqué or not and removes the difficulty of getting the Dresden to lay down flat. In addition, the designs made in class will incorporate the "Split Blade" design. Students will be surprised as to how easy the cutting and piecing technique is. Split Blades are one of the most popular designs from my Patterns and Book "Thoroughly Modern Dresden." Students will also learn several Border techniques which includes Putting Borders on without measuring, Pieced Dresden Border, and "Peaked Top Dresden Border."

Students will have a variety of design options to choose from.

Jelly Roll Split Blade Dresden

Here are several variations of the same quilt with different layout and fabrications.
